This is the home of The Magor Players and the place for social networking online in Magor, Undy and surrounding villages. The Magor Players are a band of amateurs who get together to perform theatrical shows for the enjoyment of the local community. As well as performing on and off stage, we also like to have a few drinks down the local after our rehearsals and performances - well, it is on the way...

Whether you've come here looking for information about our shows, are interested in joining up, or simply want to have a bit of local banter in our forums then we hope you enjoy your stay!
